Thanks, be unto the Lord, for each of you!

Dear Friends,

Again we must say we are very grateful for your prayers. We have experienced tragedy and blessings.

Thank you for praying for **youth camp** held during Easter week. Satan fought us very hard. Bro. Polo's car broke down so I had to make a trip to pick up the youth from Iglesia Bautista Victoria. I took a small trailer and went after them. There were ten youth in the pickup, six in the cab and four in the camper with their luggage in the trailer. Moving slow across the main highway with the green light, I could see from a distance that a pickup was coming very fast and was not going to stop for his red light. He hit the pickup hard. **We praise the Lord and are grateful for your prayers.** The **Lord protected us** in that he hit the rear axle/wheel. The heavy duty four wheel drive pickup absorbed the crash with little damage to us. If he had hit in front of the wheel youth would have been badly hurt or behind the wheel where the rest of the youth were sitting. Only one girl had a bad bump on her head. After the police investigation we went on to camp and I taught my first class at 8:30 am on time. It was a great camp with **seven saved** and a good number surrender their lives as well as some repenting.

WONDERFUL SUNRISE SERVICE. Our three local churches gathered together at 4 am outside looking to the mountains where the sun would rise. There were about 70 present for the two hour service. Leslie was the invited preacher. **Sunday evening services** before preaching we had testimonials from the youth. The new leader for them will be taking them on youth visitation.

Today **Lena counseled** a lady who had just been threatened by a man with a very sharp machete who told her he was going to cut her into pieces if she resisted. She is a Christian and God sent another man and the man threatening her ran away. Lena saw her crying and went to her to see if she could help and was able to console and pray with her after counseling her. We thank the Lord for opportunities.

Please pray for the **surgery** on Lena's knees. In May she will have double knee replacements. We need the Lord's guidance and healing hand. Please pray for the financial needs. **I know He hears your prayers.**

Yours in Christ,

Harold and Lena Priday
